## 8-3/4" x 4-3/4" Wash Sponge

- Heavy duty polyester.
- Super absorbent pores.

**29-3431 Pkd. 12/ea**

## 9" Pointed End Scrub Brushes

Bristle	Item Number	Pkd.
Palmyra	<b>29-2391</b>	Pkd. 12/ea
Poly	<b>29-2383</b>	Pkd. 12/ea
Tampico	<b>29-2409</b>	Pkd. 12/ea

- 1-1/8" Bristle length.
- Stiff scrubbing.
- Poly block will not crack, warp, mar or scratch and is resistant to moisture.

## Palmyra Bristle Deck Brush

- Hardwood block with 1 tapered and 1 threaded hole.
- With palmyra bristles.

**58-2429 Pkd. 12/ea**

## Poly Bristle Deck Brush

- Hardwood block with 1 tapered and 1 threaded hole.
- With poly bristles.

**58-2437 Pkd. 12/ea**

## Tampico Bristle Deck Brush

- Hardwood block with 1 tapered and 1 threaded hole.
- Acid resistant tampico bristles.

**58-2445 Pkd. 12/ea**

## 3 Knot Roof Brush

- Tampico bristles are resistant to heat, acids/alkali and can be used for wet or dry applications.
- Hardwood block is sanded, finished and lacquered.
- Threaded handle hole.

**29-2201 Pkd. 12/ea**

## 7" Roof Brush

- Bristle length: 2.5".
- Tampico bristles are resistant to heat, acids/alkali and can be used for wet or dry applications.
- Hardwood block is sanded, finished and lacquered.
- Threaded handle hole.

**29-2318 Pkd. 12/ea**

## 8" Acid Brush

- Tampico bristles.
- Bristle length: 1-1/8".
- Bristles are resistant to heat, acids/alkali and can be used for wet or dry applications.
- Hardwood block is sanded, finished and lacquered.
- Threaded handle hole.

**29-1757 Pkd. 12/ea**

## 6-1/2" Masonry Brush

- Bristle length: 4".
- 5 Rows of tampico bristles.
- Bristles are resistant to heat, acids/alkali and can be used for wet or dry applications.
- Hardwood block.
- Red hardwood handle.
- Hang hole.

**29-2375 Pkd. 12/ea**

## 6-1/2" Plaster Brush

- Bristle length: 3".
- 4 Rows of tampico bristles.
- Bristles are resistant to heat, acids/alkali and can be used for wet or dry applications.
- Hardwood block and handle.
- Hang hole.

**29-2367 Pkd. 12/ea**

# brushes

## 21" Pot Scrub Brush

- Tampico bristles.
- Bristle length: 2-1/2".
- Bristles are resistant to heat, acids/alkali and can be used for wet or dry applications.
- Poly block will not crack, warp, mar, scratch and is resistant to moisture.
- Hang hole.

**29-2482 Pkd. 12/ea**

## 21" Pot Scrub Brush

- Stiff palmyra bristles.
- Bristle length: 2-1/2".
- Poly block will not crack, warp, mar, scratch and is resistant to moisture.
- Hang hole.

**29-2516 Pkd. 12/ea**

## 21" Pot Scrub Brush

- Stiff poly bristles.
- Bristle length: 2-1/2".
- Poly block will not crack, warp, mar, scratch and is resistant to moisture.
- Hang hole.

**29-2524 Pkd. 12/ea**

## 6" Iron Handle Scrub Brush

- Bristle length: 1-1/8".
- Stiff poly bristles.
- Tough poly block.
- Easy grip handle.

**29-2425 Pkd. 12/ea**

## 8" Pot Scrub Brush

- Stiff palmyra bristles.
- Bristle length: 2-1/2".
- Poly block will not crack, warp, mar, scratch and is resistant to moisture.
- Hang hole.

**29-2706 Pkd. 12/ea**

## 8" Pot Scrub Brush

- Stiff poly bristles.
- Bristle length: 2-1/2".
- Poly block will not crack, warp, mar, scratch and is resistant to moisture.
- Hang hole.
