10' x 20'	Protect/cover items during painting or storage, indoor/outdoor	Medium Weight - 1 Mil	25-0506	Pkd. 24/ea

- Made of clear plastic.

10.1 Fl. Oz. Siliconized Latex Caulks

Color	Item Number	Pkd.
Clear	64-9905	Pkd. 12/tb
White	64-9822	Pkd. 12/tb

- Designed for general purpose sealing for interior or exterior applications.
- Use for caulking areas that may experience movement and may or may not be painted over.
- May be applied on wood, metal, brick, concrete, plaster, masonry, drywall, glass or tile.
- Ideal for sealing seams around doors, windows, woodwork, baseboards, countertops and most other household surfaces.
- Meets ASTM C-834 Specifications.
- 45 Yr. warranty.
- Full Case Only.

10.1 Fl. Oz. White Painter's Latex Caulk

- Designed for general purpose sealing for interior or exterior applications.
- Use for caulking areas with no movement that will be painted over.
- May be applied on wood, metal, brick, concrete, plaster, masonry and drywall.
- Provides reliable seal for seams around doors, paneling, windows, woodwork, baseboards and many other household surfaces.
- Meets ASTM C-834 Specifications.
- 35 Yr. warranty.
- Full Case Only.

64-9814 Pkd. 12/tb

10.1 Fl. Oz. 100% Silicone Sealants

Color	Item Number	Pkd.
Clear	64-9954	Pkd. 12/tb
White	64-9988	Pkd. 12/tb

- Ideal sealant for caulking areas that will not be painted, where a tough, permanent seal is desired.
- Use for kitchen or bath fixtures, as well as other exterior applications.
- May be applied on wood, metal, brick, concrete, plaster, masonry, drywall, glass or tile.
- Uses include difficult projects such as crown moulding, exterior siding and countertops, plus many other areas where most caulks wouldn't survive.
- Meets Federal Specifications: TT-S-001543A (COM-NBS), TT-S-00230C (COM-NBS), ASTM-C-920 Type S, NS, Class 25 USE NT, G.
- A & O Test requirements.
- 55 Yr. warranty.
- Full Case Only.

5.5 Fl. Oz. White Kitchen & Bath Latex Caulk

- For use around tubs, showers, sinks and most any other household application where flexible, water resistant seal is needed.
- Combines acrylics and silicone to provide a durable, mildew resistant finish that remains bright white.
- Paintable.
- Full Case Only.

64-9806 Pkd. 12/tb

caulk guns

1/10 Gal. Enamel Hex Rod Caulk Gun

- Enamel finish.
- Applies 10 oz. cartridges.
- Thumb release action to stop caulk flow.
- All steel construction.

29-0692 Pkd. 24/ea

9" Ratchet Caulk Gun

- Used for all types of 10 oz. cartridges.
- Deep machine milled teeth in rod for strong persistent thrust.
- Vinyl cushioned handle.
- Ladder hook at end of thrust rod.
- Nozzle clean out tool under barrel.
- Wrist strap attached to handle.
- Built-in spout cutter.

41-4797 Pkd. 24/ea

Smooth Rod Caulk Guns

Size	Description	Item Number	Pkd.
1/10 Gal.	Applies 10 Oz. Cartridges	29-0650	Pkd. 40/ea
1/4 Gal.	Applies 29 Oz. Cartridges	29-0700	Pkd. 12/ea

- Thumb release action to stop caulk flow.
- All steel construction.
- Enamel finish.

tape/paint can opener

White Fiberglass Mesh Tape

Size	Item Number	Pkd.
2" x 65'	58-7931	Pkd. 24/rl
2" x 150'	58-7949	Pkd. 24/rl
2" x 300'	58-7956	Pkd. 24/rl

- Self-adhesive reduces taping time.
- Stronger than paper drywall tape.
- Non-shrinking, tear resistant.
- Used for sealing drywall and tile backer board joints.
- Also used for repairing damaged walls, veneer plastering and stucco applications.

Paint Can Opener

- Removes paint can lids without damaging lid seal.
- Can also be used as convenient bottle opener.
- Full Case Only.

66-4425 Pkd. 6/cd
